## GROWING YOUR CLUB FOR THE FUTURE

Become a 'Wittoner' today!

**Witton Albion's Official Membership Scheme is designed to help sustain and grow your football club, whilst offering you some unique membership benefits!**

Becoming a Wittoner is a fantastic way of showing your support for the club and being a part of our future.

Adults can choose from Gold or Silver Membership depending on whether you want to include entrance to all home league and home friendly matches. Juniors up to the age of 16 get free entrance to home league and home friendly matches.

Memberships are annual and start on 1st July with weekly payments collected by Standing Order or annual advance payment.

The scheme is a combination of both membership and donation. By collecting membership payments weekly the club benefits from this regular income stream, which helps to maintain budgets when coping with the irregularity of home fixtures, especially during winter months when postponements are more likely.

As a member you will receive some great benefits like discounted drinks prices in the social club, discounted merchandise and discounted tickets for club events. You'll also receive a Wittoner scarf and enamel pin badge.

Every Wittoner will also get their name printed on a seat in the main stand and have their name featured on a new 'Wittoner Wall' at the ground!

Membership monies generated from the scheme that exceed the match admission and other membership costs are a donation to support the club, allowing us to maintain a competitive player budget, whilst building the club for even higher levels of football.

Bringing Juniors and the next generation of supporters into the club is one of our primary aims. Junior members will get their own plastic membership card that gives them free entrance to home league and home friendly matches all the way up to the age of 16.

With a 131 year history Witton Albion is the highest ranked non-league football team in the area and we want to build on this position, balancing sustainability and ambition. Every club wants to win and to climb higher but we have to do this with solid foundations, with regular income and with well managed budgets.

Becoming a Wittoner will help your club and play a big part in us achieving our aims. We also want you to feel you're more a part of the club than ever before and this new Official Membership Scheme is one of the ways we can bring Wittoners together to support our great club!
